RAY KECK CAREER SUMMERY

Originally from Mount Pleasant, Iowa, moving to California in 1984 and graduating in 1987, Mr. Keck began working for Schaffer Brothers in Orange County, manufactures of high end home and office furniture.

When Schaffer Brothers was taken over in the early part of 1988, Mr. Keck moved to Cathedral City California and started working for Mona Lea and Fiber-Seal Desert Empire. After extensive training in California, Arizona, and Texas, he was promoted to Head of Customer Service and Lead Technician.

In 1999, while still at Fiber-Seal, Mr. Keck began what would lead to his current position at Mona Lea's IDS. Starting from “ground up” Mr. Keck performed warehouse and stocking duties with fabrics and furniture, along with becoming a member of the Customer Service Team in the showroom then eventually into accounts payables and receivables, where Mr. Keck now holds the position of Chief Financial Officer.
